TO: [REDACTED]

SUBJECT: FAK Authorization Change Request

1. In accordance with the provisions of Project Directive Number 67-5, we request that the following changes be made to the FAK list, Section 3.

a. Add:

<u>Stock No.</u>	<u>Description</u>	<u>Estimated Unit Cost</u>	<u>No. of Units</u>
MP-11552	Film, Tri-X, Negative, 16 mm, 800' Roll	\$ 45.00	10

b. Delete:

MP-11509	Magazine, 400' Roll, per R-W Dwg. No. 50242204	\$ 185.00	1
----------	---	-----------	---

2. The necessity for the above recommended changes is predicated on the following justifications:

a. This item is requested for addition to the Fly-Away Kit to accommodate System 4, Serial Numbers 105, 106, 107 and 102, which are equipped with an 800 foot magazine. Serial Number 104 will continue to operate with the 400 foot magazine and, therefore, will require the 400 foot film, MP-11506, presently in the Fly-Away Kit.

b. This item is requested for deletion from the Fly-Away Kit since it is no longer considered necessary for FAK support. Since none of these units have been shipped or processed, a credit to the funding is in order.

3. It is expected that these recommended changes will be of a continuing nature.

4. These items are applicable to the System 4 Fly-Away Kit, Equipment List AA-X. It is recommended that the above changes also apply to the Depot Spares List for System 4, Equipment List BB-X. Please advise us on the method of handling the funding changes that would result if you approve this request. If you wish to furnish any of these items as GFE, just let us know.
